

BBO training for Juniors, Girls, Youngsters and Kids

Every Tuesday evening from September 8th 2015.

**3 small tournaments from about
19:00 CET, 20:00 CET, and 21:00 CET.**

All tournaments are free and there are no prizes. It's just practicing, but it's still serious and we play in a friendly atmosphere. The normal players here are preparing to play in the national team. Any way there are no other requirements than these:

- You can play the boards within normal time
- Once you enter a tournament, you play it to the end

In order to play, you have to pre-register at the TD. Only pre-registered players can enter the tournaments. You will get information by joining the Facebook Group "BBO Tuesdays Junior Training".

You can pre-register in this group, by sending you BBO name to the Danish TD on, Facebook "Morten Rasmussen Bune" or on BBO "Deeep".

Please note that after pre-registration you still have to sign up for every single tournament, you wish to play. All the tournaments are named "BBO Tuesdays Junior Training".

Happy training and see you on BBO!
